

All-listing

①

Corrections needed for PCA Agency | Home care agency dashboard.

②

County — ④

This field is missing. should be before city

① → Need to say "ALL Listings"

② → Full name should be displayed on Top right - example Tyran White

③ → Should say "update Listing" - Upper case "L".

④ → The field "County" is missing. County should be before "City"

⑤ → The "L" in "listing" should be upper-case — "Listing"

⑥ → I will like the total number of listings to show next to "All Listings"
